

# AFFIRMING AMBASSADORS TRAINING TO ENSURE AN ONGOING AFFIRMING WORKPLACE FOR ALL

## WHAT

HiTOPS is pleased to offer a consulting series designed to provide training for select staff within a corporation or business with the goal of creating a knowledge core of ambassadors to serve as in-house resources for creating and maintaining an affirming and inclusive workplace.

## FOR WHOM

Participants would ideally include staff members in various roles including leadership, middle management, secretarial staff, etc.

## TRAINING TOPICS

Over the course of the learning series, ambassadors will develop the foundational knowledge necessary to provide support and resources to create and maintain an affirming environment. Workshops are designed to provide ambassadors the opportunity to apply their knowledge using a variety of scenarios, group discussions, and activities. Topics Include:

- Sexual Orientation, Gender Identity & Expression (SOGIE)
- Gender Roles & Stereotypes
- Intersectionality
- LGBTQ+ History
- A Deeper Dive into Trans and Non-binary Experiences
- Federal and State Laws Regarding LGBTQ+ Folks
- Coming Out Conversations
- Allyship and Advocacy
