MARCH 28, 2026
SPONSORSHIP OPPORTUNITIES

THE ONLY CONFERENCE BY AND FOR TRANS AND NONBINARY YOUTH

The HiTOPS Trans Youth Forum is an annual virtual event that is free and accessible to all trans and nonbinary youth, as well as their allies. The Forum includes live interviews with guests, pre-filmed spotlight interviews, and performances, as well as informational slides. We also offer opportunities for folks to gather at in-person “watch parties” to share the experience (as well as snacks and swag!) with friends and family. The Forum runs from 11-4:30 and includes multiple breaks. Attendees can tune in and out as schedules permit.
